VENKATA KOWSHIK REDDY DADANI

Hyderabad, Telangana | +91-9030612613 | kowshikreddy099@gmail.com

PROFESSIONAL SUMMARY

Entry-level software developer and B.Tech Information Technology graduate with an 8.0 CGPA. Foundational skills in Java, Python, object-oriented programming, SQL, data structures, algorithms, REST APIs, and web technologies. Hands-on internship experience developing and testing web application features, working with SQL CRUD operations, and understanding client-server communication. Familiar with AI-assisted development tools for debugging and productivity. Eager to contribute to a software development team, write maintainable code, learn established engineering practices, and solve practical problems.

TECHNICAL SKILLS

Programming Languages: Java, Python, JavaScript
Core Computer Science: Object-Oriented Programming (OOP), Data Structures, Algorithms, Problem-Solving
Databases: SQL, CRUD operations, relational database fundamentals
Web Technologies: HTML, CSS, JavaScript; basic React and Angular
APIs & Tools: REST APIs, HTTP, Git/GitHub, GitHub Copilot
Development Environment: Windows, Linux, basic Bash scripting
AI Development Tools: ChatGPT, Gemini, Claude, NotebookLM

EXPERIENCE

Web Development Intern | Skill Desire — Restaurant Management System

- Developed responsive web pages using HTML, CSS, and JavaScript, with attention to usability and cross-browser compatibility.
- Assisted in implementing and testing web application features while following development best practices.
- Worked with REST APIs and HTTP request/response flow to understand communication between client and server.
- Performed basic SQL CRUD operations to create, retrieve, update, and delete application data.
- Used Java OOP concepts to solve programming problems and build simple applications as part of learning and assignments.
- Used GitHub Copilot, Gemini, and ChatGPT to support debugging, code review, and development productivity.
- Collaborated with mentors and team members and completed assigned project tasks within deadlines.

EDUCATION

Degree	Institution	Year	CGPA / Score
B.Tech, Information Technology	GIET Engineering College, Rajahmundry	2022–2026	8.0 CGPA
Intermediate	Sri Pratibha Junior College, Ongole	2020–2022	84.4%
Matriculation	Honey High School, Kanigiri	2020	100%

CERTIFICATIONS

- NPTEL Java Course — 84%
- Java Course Completion Certificate — Elewayte
- Complete Java Developer Course — Aajhub & Sapienz Recruit, July 2025
- Web Development Internship — Skill Desire
- Summer Internship Excellence Certificate — Cyber Security

ADDITIONAL STRENGTHS

- Analytical thinking and structured problem-solving.
- Collaborative approach, willingness to learn, and attention to code quality.
- Interest in backend development, application programming, debugging, and building reliable software.
